Hi To All Members

We have been blessed with the weather lately, light winds and hardly any rain.

This month's comp was the best I have seen since I have been at the club; the email must have worked hey Hardy. It looked like everyone had fun.

I have notice a few members coming into the car park area way to fast; you only have to come in slow.

Family Day is coming up we need to know how many people are going to attend for catering reasons.

Also the Hastings air show is nearly upon Saturday the 19th us we have it all in hand and if weather is ok should go well, so clean up those nice planes.

Thanks, Brian
